## EDUCATION

---

- Fall 2021                      University of Ottawa, Ottawa, ON  
M.A.-Ph.D. in Clinical Psychology  
(Supervisor: Erin A. Maloney)  
Title: TBD
- 2020-2021                      Algonquin College, Ottawa, ON  
Autism and Behavioural Science, Ontario College Graduate  
Certificate  
CGPA: 4.00 (out of 4.00)  
Graduated with Honours
- 2016-2020                      University of Ottawa, Ottawa, ON  
Honours Bachelor of Science in Psychology  
Degree obtained, Summa Cum Laude  
CGPA: 9.73 (out of 10.00)  
(Supervisor: Erin A. Maloney)  
Title: Three types of spatial anxiety and spatial ability: Mediators  
of gender differences in math and spatial anxiety

## RESEARCH EXPERIENCE

---

- 2018-present                      Volunteer, UROP student, Research assistant, Lab manager,  
Graduate student  
Cognition and Emotion Lab, University of Ottawa  
Supervisor: Dr. Erin Maloney  
Tasks: Literature review, experiment design, data analysis,  
participant recruitment, running participants, manuscript writing,  
data cleaning and analysis, coordinate volunteers, manage finances  
Software experience: Qualtrics, ISPR, Gorilla, SPSS, Excel
- Dec 2020                              Research Assistant  
Childhood Cognition and Learning Laboratory  
Supervisor: Dr. Cristina Atance  
Tasks: Literature review and ethics board application
- Jan-March 2020                      Research assistant  
University of Ottawa Living Lab  
Supervisor: Cristina Atance  
Tasks: Participant recruitment, running participants
- Sept-Dec 2019                      Directed Research Course  
Supervisor: Dr. Patrick Davidson

## **PEER-REVIEWED PUBLICATIONS**

---

**Delage, V.**, Trudel, G., Retanal, F., & Maloney, E.A. (2021). Spatial anxiety and spatial ability: Mediators of gender differences in math anxiety. *Journal of Experimental Psychology: General*. (In Press)

Storozuk, A., Ashley, M., **Delage V.**, & Maloney, E.A. (2020). Got bots? Tips and tricks for protecting online data collection from bot attacks. *The Quantitative Methods in Psychology*, 16(5), 472–481. doi:10.20982/tqmp.16.5.p472

### Submitted:

Daker, R. J., **Delage, V.**, Maloney, E. A., & Lyons, I. M. (2021). Testing the specificity of links between anxiety and performance within mathematics and spatial reasoning. Manuscript submitted to *Annals of the New York Academy of Sciences*.

## **PRESENTATIONS**

---

Storozuk, A., Ashley, M., **Delage, V.**, & Maloney, E.A. (2021, June). *Can you spot the bot? How to protect online data from bot attacks*. Oral presentation at the 82<sup>nd</sup> Canadian Psychological Association Annual National Convention, Online.

Trudel, G., **Delage, V.**, Daker, R., Retanal, F., & Maloney, E. A. (2021, June). *Math anxiety is a mediator of the relation between gender and math achievement*. Poster presented at the 82<sup>nd</sup> Canadian Psychological Association Annual National Convention, Online.

**Delage, V.**, Trudel, G., Retanal, F., & Maloney, E. A. (2021, May). *Manipulation Ability, Manipulation Anxiety, Navigation Anxiety and Math Ability Mediate the Relation between Gender and Math Anxiety*. Poster presentation at the Association for Psychological Science (APS) conference, Webinar.

Trudel, G., **Delage, V.**, Retanal, F., & Maloney, E. A. (2021, May). *Math Anxiety is a Mediator of the Relation Between Gender and Math Achievement*. Poster presentation at the Association for Psychological Science (APS) conference, Webinar.

Trudel, G., **Delage, V.**, Retanal, F., & Maloney, E. A. (2020, June). *Math anxiety mediates the gender difference in undergraduates' mathematics performance in various math strands*. Poster presented at the Mathematical Cognition and Learning Society, Webinar.

**Delage, V.**, Trudel, G., Retanal, F., Maloney, E. A. (May, 2020). Three types of spatial anxiety and spatial ability: Mediators of gender differences in math and spatial anxiety. Poster presented at the Interdisciplinary Conference in Psychology, Ottawa.

**Delage, V., Trudel, G., Maloney, E. A.** (May, 2019) Exploring the relation between spatial abilities and various types of mathematics. Poster presented at the Interdisciplinary Conference in Psychology, Ottawa.

**Delage, V., Trudel, G., Maloney, E. A.** (March, 2019) Exploring the relation between spatial abilities and various types of mathematics. Poster presented at the Undergraduate Research Opportunity Program (UROP) Conference, Ottawa.

## **AWARDS AND SCHOLARSHIPS**

---

2021	Admission Scholarship – \$7500 University of Ottawa
2021	Joseph Armand Bombardier: Canada Graduate Scholarships - Master's, Social Sciences and Humanities Research Council of Canada – \$17,500
2020	Best Honours Thesis Award (English) – School of Psychology – 1000\$ University of Ottawa Supervisor: Dr Erin Maloney
2020	Naturel Sciences and Engineering Research Council of Canada – Undergraduate Student Research Award – \$7500 University of Ottawa Supervisor: Dr Erin Maloney
2019	1 <sup>st</sup> place in the Venture Initiative Showcase – \$166.66 University of Ottawa
2019	Naturel Sciences and Engineering Research Council of Canada – Undergraduate Student Research Award – \$7500 University of Ottawa Supervisor: Dr Erin Maloney
2017-2019	Merit Scholarship – \$2000 per year University of Ottawa
2016-2019	French Studies Bursary – \$1000 per year University of Ottawa
2018	Undergraduate Research Opportunity Program – \$1000 University of Ottawa
2016	Admission Scholarship – \$4000

## **MENTORING**

---

### **Undergraduate Research Opportunity Program (UROP)**

2020-2021 Fatima Qureshi

### **Directed Research Course Students**

2021 Kaitlyn Boulanger

2021 Ashley Hewitt

2021 Audrey-Anne Forget

## **SKILLS AND CERTIFICATES**

---

Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans Course on Research Ethics.

Languages: French and English, writing and speaking.

Experience designing studies using the psychological study programming softwares Gorilla and Qualtrics.

Experience using the Statistical software SPSS.

## **VOLUNTEER WORK**

---

- April 2019 – March 2020 Volunteer  
*The Perley Rideau Veteran's Health Centre*  
Tasks: Bring residents to the art studio and help with their art projects
- May 2018 – April 2019 Research assistant  
*Cognition and Emotion Laboratory, University of Ottawa*  
Tasks: Literature review, Data analyses, Experiment design
- June 2015- March 2016 Projet Amour Communautaire  
Tasks: Serve food at the Lord's Kitchen, Help store food at the Food Bank, Serve at the Yo Mobile, Participate in a humanitarian trip to Jamaica

## **NON-ACADEMIC WORK EXPERIENCE**

---

- Summer 2018 Summer student in installations department  
*Conseil scolaire catholique des Grandes Rivières*  
Tasks: Filing, Document preparation, Receptionist, other office tasks
- Summer 2017 Summer student in human resources department  
*Conseil scolaire catholique des Grandes Rivières*  
Tasks: Filing, Document preparation, Receptionist, other office tasks
